Dear Sir:

In reply to the Non-Final Office Action mailed September 6, 2005, please amend the
above-identified application as follows:

Claim 34 recites an allocation of unshared account units for use of a first subscriber service, and an allocation of shared account units for use of a second subscriber service and available for use of the first subscriber service. None of the cited references disclose or suggest an allocation of unshared account units for use of a first subscriber service and an allocation of shared account units for use of a second subscriber service and the first subscriber service, as recited in claim 34. Thus, claim 34 is allowable over the cited art. Claims 35-38 depend from new independent claim 34. Therefore, claims 35-38 are allowable over the cited art, at least by virtue of their dependency from allowable independent claim 34.

CONCLUSION

Applicants have pointed out specific features of the claims not disclosed, suggested or rendered obvious by the references applied in the Office Action. Accordingly, Applicants respectfully request reconsideration and withdrawal of each of the objections and rejections, as well as an indication of the allowability of each of the claims now pending.

The Examiner is invited to contact the undersigned attorney at the telephone number listed below if such a call would in any way facilitate allowance of this application.

The Commissioner is hereby authorized to charge any fees, which may be required, or credit any overpayment, to Deposit Account Number 50-2469.

Respectfully submitted,
